HOOKS

Our Black Nickel Finished Hooks are designed with the Laws of Physics in mind. Spearpoint Performance Hooks Patent Pending VGrip Technology forces the fish to the "V" of the hook which holds the fish in place to dramatically increase landing ratios. Spearpoint Hooks was built to work with most popular baits on the market making easy rigging. Spearpoint Hooks is designed to be the Ultimate Performance Hook. The patent pending design, paired with the sticky sharp piercing point, help deliver rock solid hooksets.

Spearpoint Performance Hooks will make your competitors envy you!

-Black Nickel Finish
-Sticky Sharp Piercing Point
-Patent Pending design for ultimate fish holding power
-Ultimate landing ratios
